

New Generation cash drawer with exclusive AURES compact design

The ultra compact **3S 333** cash drawer with fine design and excellent quality finish has been developed by AURES to meet the space saving requirements at the sales counter.

With its elegant shiny "black piano" front side and its small dimensions (335 x 110 x 350mm), this peripheral creates the perfect match with any 15 inch EPOS system or touch-screen, combining aesthetics, usefulness and efficiency to fit within all Retail and POS environments.

- High quality ultra-compact design with specific dimensions, for a perfect match with other EPOS equipment
- Rugged steel construction housing
- Modular 6 notes (3 x 2) / 8 coins configuration (plastic inner tray with removable coins' inserts)
- 24V connector (for printers, terminals, peripherals)
- Smooth opening (ball bearing roller system), electronically or manually
- Key Lock

Dimensions (L x H x D)	335 x 110 x 350mm
Net weight	5kg
Colour	Black (with elegant shiny "black piano" front)
