# DON AT YOUR SERVICE

## WHO'S LOOKING AFTER YOUR STAFF? DON!

The weather is better than expected and the garden restaurant is at bursting point – even indoors customers are jostling for a table. Can we see the menu, please? everybody is calling. Another normal day for many of us working in the hospitality industry.

Another great day for DON to show what he can conjure up. Your hospitality boss has got everything under control. Your staff remain calm and composed, providing your customers with classic first-class service. Even part-time staff are confident they get it right at first touch.

Your customers love this atmosphere. And everything is working out for you too. Thanks DON!

### DON IS IN CONTROL,

so you can get off to an easy start.

- the proven brand from the industry leader,
- 1000's of units in service,
- in operation worldwide.

### PROFIT FROM DON WHEREVER HE IS IN SERVICE.

Speed, customer care and quality of service are factors that have a major influence on the success of your business. That is where DON really proves his worth:

- DON is designed especially to handle the needs of the hospitality industry,
- from fast-food to haute cuisine, from ice cream parlour to speciality eatery, from summery garden restaurant to après ski bar in the snow.
- You will profit whatever you serve. Proven long-term profitability!

### HARD MAN WITH A SOFT TOUCH.

Highly intelligent and receptive and yet extremely tough: your ideal ORDERMAN®.

- Impact and drop-resistant; it's a tough life between the counter and your customers.
- Waterproof
- Pick up DON: you'll be amazed - his designers really have thought of everything!

### ONE GLANCE: ONE TOUCH!

You'll notice straightaway that DON was designed specifically for the hospitality business:

- DON's display is tuned to your menu – and your customers' preferences – so the food and drinks most in demand can be ordered and billed with just one touch,
- integrated fax function lets you easily cater for special orders,
- inputs are quickly made,
- makes it much easier for part-time staff,
- keeps your customers happy too:
- relaxed staff provide the personal touch and first-class service!

### 100% RELIABILITY FROM DON.

Permanently on-line; hackers haven't got a chance:

- secure radio transmission,
- not susceptible to interference,
- excellent durability
