TITAN 160 TOUCH SCREEN SYSTEM

The Sam4s Titan 160's vibrant & precise 15" projective capacitive multi-touch display is extremely durable in most environments including withstanding water contact, dust & grease.

The Sam4s Capacitive touch panels will activate with either a bare finger or a capacitive stylus preventing users from using pens, credit cards or sharp objects which potentially would reduce the life expectancy of resistive touch panels. In addition the screen has a more vivid & crisp colour enhancing the quality of the POS user interface.

Incorporating the latest Intel Celeron M1037U 1.8Ghz fanless processor

TITAN 160 TOUCH SCREEN SYSTEM

The Sam4s Titan 160 is a fanless, compact, multi-function EPOS terminal, fitted with Intel Celeron M1037U processor making it one of the fastest POS terminals in its class.

benchmark's the Sam4s Titan 160 as one of the fastest & quietest PC POS terminals in its class. Coupled with its on board 64GB SSD, ensures that the solid state drive remains dust free & ingress free, ideal for harsh retail & hospitality environments.

With its spill proof multi-touch bezelless display, ergonomic design and die cast aluminium base, the Sam4s Titan 160 is one of the most stylish point of sale terminals in its sector. With either traditional stand or VESA options for wall & pole mount provides greater flexibility of installation.

The Sam4s Titan 160 incorporates an easily removable built-in power supply which reduces cable management. A reliable & accessible system the Sam4s Titan PC POS terminal has many added benefits making it excellent value for money & a great investment as your POS equipment.

- Industrial Quality LED Display 15" True Waterproof Flat Front Panel.
- 15" TFT LED, LVDS 1024 x 768 (XGA LCD) PCT Projected Capacitive Touch Technology Supports Multi-Touch.
- Intel Celeron M1037U 1.8Ghz. Dual Core Fanless.
- DDRIII 2 Slots 2GB Memory up to 16GB.
- SATA-II 2.5" 64GB SSD.
- 1 x 10/100/1000 Mbps LAN.
- Tool-less Design Provides Easy Installation & Maintenance.
- Die-Cast Aluminium Base.
- Internal Power Adaptor.
- Small Footprint.

SAM4s

The Sam4s Titan 160 comes with VESA mount adaptor for counter top or wall mount installations. Optional 2-Line VFD & 9.7" LCD Rear Customer Display are also available.

- Vesa Wall or Pole Mountable.
- Windows POSReady 7.

Options Including:

- Sam4s 2-Line VFD Customer Display.
- Sam4s 9.7" Rear LCD Customer Display.
- Magnetic Dallas Reader.
- Ultra Slim MSR Reader.
- Magnetic Dallas & MSR Combo.
